Dear Agriculture Teachers and Students:

On behalf of the Davis College of Agriculture, Forestry and Consumer Sciences, we in Agricultural and Environmental Education commend you for your participation in the **80th Annual Agriculture Career Development Events**. Your presence helped to make the event a success and we trust that your experiences were enjoyable and educational.

Only through the cooperative efforts of many people were the contests possible. Special thanks are due to the following: West Virginia Agriculture teachers, students and guests for their attendance and participation in various events; Dean Cameron Hackney, Associate Dean Dennis Smith, Dr. Paul Lewis, Dr. Barton Baker, Dr. Joe McNeel, and Dr. Peter Schaeffer, administrators in the College of Agriculture, Forestry and Consumer Sciences; Faculty and students in Divisions of Animal and Veterinary Sciences, Plant and Soil Sciences, Forestry and Resource Management who prepared and conducted the contests; Mountainlair administration and staff; West Virginia University Recreational Center administration and staff; Physical Plant personnel; the communications media at WVU and in the Morgantown area; County and State Cooperative Extension Service personnel; Office of University Relations; Agricultural and Environmental Education majors who assisted in many ways; Don Michael, State Agricultural Education Supervisor; Keith Burdette, State Agricultural Education Coordinator; and organizations and individuals who provided plaques and certificates.

Team and individual scores have been compiled for each contest area. We hope that you find this information useful. We look forward to your participation in the State Agriculture Career Development Events in future years.

Sincerely,

Agricultural and Environmental Education Faculty:

Stacy A. Gartin
