Dear Agriculture Teachers and Students:

On behalf of the Davis College of Agriculture, Forestry and Consumer Sciences, we in Agricultural and Extension Education commend you for your participation in the **85<sup>th</sup> Annual Agriculture Career Development Events**. Your presence helped to make the event a success and we trust that your experiences were enjoyable and educational.

Only through the cooperative efforts of many people were the contests possible. Special thanks are due to the following: West Virginia Agriculture teachers, students and guests for their attendance and participation in various events; Dean Cameron Hackney, Associate Dean Dennis Smith, Associate Dean William Vinson, Assistant Dean Steve Selin, Dr. Paul Lewis, Dr. Barton Baker, Dr. Joe McNeel, Dr. Tim Phipps, and Dr. Barbara McFall, administrators in the Davis College of Agriculture, Forestry and Consumer Sciences; Faculty and students in Divisions of Animal and Veterinary Sciences, Plant and Soil Sciences, Forestry and Resource Management who prepared and conducted the contests; Russ Sharp and April Messerly, WVU Coliseum; Mountainlair administration and staff; West Virginia University Recreational Center administration and staff; Physical Plant personnel; the communications media at WVU and in the Morgantown area; County and State Cooperative Extension Service personnel; Office of University Relations; Agricultural and Extension Education majors who assisted in many ways; Keith Burdette, Lead Coordinator Agricultural Education; Jason Hughes, State Coordinator Agricultural Education; and organizations and individuals who provided plaques and certificates.

A special thanks to Alice Compton, AGEE Secretary. Without her assistance in coordinating registration and providing overall support, the Career Development Events would not function efficiently.

Team and individual scores have been compiled for each contest area. We hope that you find this information useful. We look forward to your participation in the State Agriculture Career Development Events in future years.

Sincerely,

Agricultural and Extension Education Faculty:

*Stacy A. Gartin*

*Harry W. Boone, Jr.*

*Deborah A. Boone*
