September 24, 2009

Dear Agriculture Teachers and Students:

On behalf of the Davis College of Agriculture, Forestry and Consumer Sciences, we in Agricultural and Extension Education commend you for your participation in the **86th Annual Agriculture Career Development Events**. Your presence helped to make the event a success and we trust that your experiences were enjoyable and educational.

Only through the cooperative efforts of many people were the contests possible. Special thanks are due to the following: West Virginia Agriculture teachers, students and guests for their attendance and participation in various events; Dean Cameron Hackney, Associate Dean Dennis Smith, Interim Associate Dean Tim Phipps, Assistant Dean Steve Selin, Dr. Paul Lewis, Dr. Barton Baker, Dr. Joe McNeel, Dr. Jerry Fletcher, and Dr. Barbara McFall, administrators in the Davis College of Agriculture, Natural Resources and Design; faculty and students in Divisions of Animal and Nutritional Sciences, Plant and Soil Sciences, Forestry and Natural Resources, and Resource Management who prepared and conducted the contests; Russ Sharp and April Messerly, WVU Coliseum; Mountainlair administration and staff; West Virginia University Recreational Center administration and staff; Physical Plant personnel; the communications media at WVU and in the Morgantown area; County and State Cooperative Extension Service personnel; Office of University Relations; Agricultural and Extension Education majors who assisted in many ways; Keith Burdette, Lead Coordinator Agricultural Education; Jason Hughes, State Coordinator Agricultural Education; and organizations and individuals who provided plaques and certificates.

A special thanks to Alice Compton, AGEE Secretary. Without her assistance in coordinating registration and providing overall support, the Career Development Events would not function efficiently.

Team and individual scores have been compiled for each contest area. We hope that you find this information useful. We look forward to your participation in the State Agriculture Career Development Events in future years.

Sincerely,

Agricultural and Extension Education Faculty:

Stacy A. Gartin

Harry N. Boone, Jr.

Deborah A. Boone

Douglas D. LaVergne

William N. “Bill” Grafton

(1938 – 2009)

William “Bill” Grafton, 70, of West Virginia Ave., Morgantown, passed away unexpectedly while at work at WVU on Friday, September 11, 2009.

William N. Grafton was Wildlife Extension Specialist and Associate Professor of Forestry at West Virginia University. He earned a BS degree in Wildlife Management in 1961 and a MS degree in Wildlife Management in 1966 from WVU. William was an avid environmentalist and considered an expert on the botany of the Appalachian region. He taught at WVU for 43 years during which time he impacted the lives of many throughout the state and in the College of Agriculture and Forestry.

His primary responsibilities as an extension educator included wildlife management for farmers and foresters, animal damage and control, natural resource education for professionals and the general public, teaching in WVU classes, and research on wetlands, roadside reclamation and invasive exotic plants. William made major contributions to the state’s botanical archives and helped found the WV Master Naturalist program.

Bill Grafton was elected to chairman or president offices in the WV Chapter of the Society of American Foresters (1975-1976), The WV Chapter - The Nature Conservancy (1986-1987), and the multi-state Brooks Bird Club (1983-1984). He was also elected as the charter president of the WV Native Plant Society from 1982–1984 and again from 1999-2000.

Bill has received three national award from USDA and International Paper Company during the 25 years he has worked with the National 4-H Forestry Invitational contest; the only national 4-H contest held in West Virginia. He has also chaired the FFA Career Development Event held on the WVU campus for the past 17 years. He was a recipient of the Governor’s Environmental Education Award in 1970 and was enshrined in the WV Agriculture & Forestry Hall of Fame in 2004.
